## Now's the perfect time to invest in your teachers

With so many tasks to juggle, teachers need help to manage it all. That's where Symphony Classroom with Merlyn comes in.

Merlyn is a digital assistant created with advanced AI technology that helps teachers perform routine actions and control their devices so they can focus on what matters most—their students.

Teachers can say: "Hey Merlyn" from anywhere in the classroom and ask their digital assistant to perform a task, such as opening a presentation.

With this incredible offer, you can give your teachers the tools they need to succeed.
